Clewiston Leaves Suncoast Set-Up

Assured of a crackup virtually from the day the membership was elevated to a cumbersome 11 schools, the Suncoast Conference's athletic leaders face the first official sign of the inevitable change next Saturday at Belle Glade when Clewiston will announce its withdrawal effective May 31.

Occasion will be the annual spring meeting of the league's principals and coaches at Belle Glade High School. Since the last league session three months ago, there have been several meetings of athletic directors and principals all aimed at possible membership changes. Prime effort was division into two leagues, separating the larger and smaller schools in the present 11 and adding two or three nearby schools for a possible maximum membership of 14 in the two leagues.

But the effort so far has produced nothing, and now Clewiston's threatened withdrawal last fall will become fact. Principal flaw in a 11 school league is the complete elimination on non-league games in football and almost the same thing in the other major sports because of the league rule that each member must play all others in each sport. Clewiston's departure will ease that binding.

Despite being the league's small-

est school, Clewiston, which was a charter member 13 years ago, has made one of the best football records over the years with a 47-40-5 mark in league play. No grid titles were won, but the Tiger baseball team won successive pennants in 1953 and 1954.

Also on Saturday's agenda are reports from a principals committee and the athletic directors headed by Jeter Barker of Lake Worth, naming of the all Suncoast cage team and nomination of '63-'64 officers.

Meanwhile the spring sports program in the league proceeds apace. Most members are participating in weekly tennis and golf activity with the conference meets coming up this month. Golf will be at Ft. Pierce March 25. Tennis will be March 21, with boys at Seacrest and girls at Lake Worth. Swimming starts Tuesday when Riviera visit Forest Hill, and ends with the league meet at Lake Worth April 26. Track meets start next week and end with the conference meet April 26 at Palm Beach.

Baseball teams already are drilling and this week will show a sprinkling of non-conference action. League card starts March 15 and extends through April 23.

Mr. and Mrs. L. W. Weeks of West Palm Beach visited Mr. and Mrs. E. O. Winch in Canal Point, Tuesday. Al Tolle of Star Lake, N. Y. was also a recent guest of Mr. and Mrs. Winch.

Mrs. Thiebaud Tells Rotes About "Homes"

Mrs. William A. Thiebaud of Belle Glade was guest speaker at the luncheon meeting of the Pahokee Rotary Club, last Thursday. Mrs. Thiebaud, who was introduced by Joe E. Thompson, spoke on "Interesting Homes in Florida." Three of the homes that she described, Whitehall at Palm Beach, the home of Henry Flagler; Deering's Viscaya, in Miami, and Ringling's home at Sarasota, have all been converted into museums. Included in her list of interesting homes were three in Tallahassee, the governor's mansion; "The Grove" the home of Mary Call, who is Mrs. Leroy Collins, the wife of a former governor of Florida; and "Goodwood" which originally belonged to Brian Cromb and has a very interesting history. She also described the oldest house in St. Augustine, which was built in 1703; the oldest house at Key West, built in 1823, which was the first prefabricated home in Florida; and "Casa Caye," the southernmost house in the United States, which is also in Key West.

The president, Dr. E. C. Johnson, presided over the business session.

Guests were Kent, Price, West Palm Beach; George Rand, Garry Curlee, Roy Kimberly, and George Young, all of Belle Glade; and Tom Hodges.

BACK TO KENTUCKY

Mrs. G. Bedford Brown returned to her home in Georgetown, Ky., Saturday, following a four-week visit with her brother-in-law and sister, Col. and Mrs. W. S. Evans at Cypress Ridge. Other guests of Col. and Mrs. Evans, last week, were Major General and Mrs. John Wogan of Asheville, N. C.

Flameless

is the **BIG DIFFERENCE**
in **ELECTRIC COOKING**

"FLAMELESS" means CLEANER, COOLER, FASTER, SAFER. Good reasons why more than a million Florida families have "switched" to electric cooking. It's the only really modern way! No flame, no fumes, no constant-burning pilot light. No sooty, grimy by-products of combustion... so pots and pans keep shiny-bright... the whole kitchen stays cooler and "white-glove" clean. New super-speed surface and oven units shorten cooking time. Automatic controls let you cook meals to perfection without pot-watching.

IN FLORIDA

BEER IS A NATURAL

As natural as the wholesome grains and tangy hops from which it is brewed, beer is Florida's traditional beverage of moderation... light, sparkling, delicious.

And naturally, Florida's Brewing Industry is proud to be a major purchaser of Florida products and raw materials. For example, the Brewing Industry is responsible for millions of dollars paid annually to Florida farmers for pulpwood to be made into cardboard boxes and cartons. Millions more are spent for other Florida materials and services. In Florida, beer belongs... enjoy it.

*"Today we need a nation of Minute Men
citizens who regard the preservation of freedom
as a basic purpose of their daily life"*

—JOHN FITZGERALD KENNEDY

10 days after his inauguration
as the 35th President of the
United States.

Twenty years ago, in the dark, uneasy days before Pearl Harbor, the Minute Man of Concord, timeless symbol of our Nation's determination to defend its freedom, emerged as the emblem of the U. S. Savings Bonds Program. When war came, the Minute Man became the rallying force behind the huge and overwhelmingly successful effort to back our fighting men with War Bonds.

In this, the 20th anniversary year of Savings Bonds, the Minute Man of Concord calls all Americans to an unremitting effort to help preserve our peace and freedom, threatened by forces more powerful and resourceful than those we faced in 1941. Though this effort will take many forms, one way open to all is the continued investment in Shares in America, U. S. Savings Bonds, by "citizens who regard the preservation of freedom as a basic purpose of their daily life."

Picture of a Promise

Sure, she's a grand old flag!
That's why we salute her.
That's why we pledge allegiance to her.

That pledge, in its simplest terms, is another way of saying, "Count me in. You're my country and I love you, and need you. Your problems are my problems, and I'm with you all the way."

Your country's biggest single problem is the perpetual responsibility for keeping the peace its people want. You can help with this problem by remembering this:

Peace costs money. Money for military and industrial strength. Money for science and education. And money saved by individuals — by you — to help keep the economy strong. Bonds provide this money.

"Money" Was Topic WSCS Meeting

"What Shall We Tell Our Children About Money?" was the topic of the program presented by Mrs. J. J. Fraser at the March meeting of the Pahokee WSCS held in the chapel of the First Methodist Church, Monday night, with the president, Mrs. Richard F. Hurt, presiding. Mrs. Fraser was assisted by Mrs. Jack Spencer. Questions brought up for consideration were 1. "How do you teach your child to save and give?" 2. "Should children be paid for home chores?" 3. "What do you think about allowances?" 4. "Have ideas about money changed?" Following Mrs. Fraser's talk, a question and answer session was held. Members of the Gertrude Shirley Circle were in charge of program arrangements. The worship center, featuring an open Bible flanked by two beautiful roses in glass bud vases, was arranged by Mrs. Fraser, and Mrs. Leon Spooner, circle spiritual life chairman, who gave the devotionals. Mrs. Spooner chose Proverbs 22:1-19 for the scripture reading.

Mrs. Ida Larimore who has held many different offices in the Society, and who will be moving to Tallahassee soon, was presented with a gift by Mrs. Ruth Meredith on behalf of the WSCS. Mrs. Larimore has been a resident of Pahokee for 41 years.

The Miriam Circle was awarded the attendance pin. Mrs. T. C. O'Steen reported that \$50.00 was collected at the World Day of Prayer service held Friday at the Pahokee schools. Mrs. O'Steen stated that it was the 77th anniversary of the World Day of Prayer, which is observed by 120 countries in 20,000 communities. The fifty dollar offering will be used equally for home and foreign missions under the supervision of the National Council of Churches.

It was announced that the annual district meeting will be held at 10 a. m., March 28, at Riviera Beach; that the Florida conference of the WSCS will be held at Daytona Beach, April 23-25; that the membership tea will be held, May 6 at the home of Mrs. R. D. Apelgren, and that the installation and pledge service will be on May 20.

Christian Science Group Of Canal Point

A Bible lesson on the subject "Man" will be read this Sunday. Scriptural selections will include these verses from Psalms (90:1, 16): "Lord, thou hast been our dwelling place in all generations. . . Let thy work appear unto thy servants, and the glory unto their children."

Correlative readings will emphasize the Christian Science teaching that man's real identity is not material, but found in God as His spiritual image and likeness—what St. Paul referred to as "the new man" (Eph. 4:24). Included will be this passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 90): "The admission to one's self that man is God's own likeness sets man free to master the infinite idea."
